

RECEITA DE SAMBA

RECEITA DE SAMBA

RECEITA DE SAMBA is an instrumental quartet that recreates the repertoire and spirit of one of Brazil's greatest musical styles: the Chorinho.

Chorinho integrates both classical and popular musical elements. It is one of those rare examples where music transcends any classification.

The pandeiro and the guitar are in charge of rhythm and harmony. The upper voices are here represented by two unusual instruments in Brazilian popular music: the violin and the blockflute.
